The DNR had circulated an article describing the sentencing. Although the result may not have been what the prosecution had hoped for, I still want to thank EPA and the US Attorney's Office for the work and dedication on this one.

Thanks.

Jake

Good morning, Jake,

As you've probably heard, Rochester was sentenced to three years probation, 100 hours community service, and restitution in the amount of \$4,055,978.64. Call me if you have any questions.

Thanks, Ex. 6 PP / Ex. 7(C)

I handled the State's civil enforcement action against Recycletronics and Aaron Rochester. I wanted to follow up with you after the call we had yesterday. Can you let me know some times that might work for you to have a phone call? Thanks.

Jake
